# REPORT OF THE DISTRICT NURSE

FOR 1958

---

Cases active January 1, 1958	9
Cases admitted	48
Total Number of Cases	57
Cases Discharged	50
Cases active December 31, 1958	7
Nursing Visits	716
Social Service Visits	180
Child Welfare Visits	194
Consultations	59
Deliveries	1
Transportation to Clinics, Hospitals or Physicians	23
Attended in ambulance	1
Clinics Held	11

During the year a series of three Polio Vaccine Clinics were held, adding 129 to the over 500 who have had their three required shots. I wish to thank all the people who helped with these Clinics, and gave so generously of their time.

A very successful Blood Bank was conducted in town by the Red Cross unit from Manchester, N. H. Forty-six donors were accepted, with 31 from Winchester and 15 from Hinsdale. Again I wish to thank the assistants from both towns, who helped in canteen work, clerical records, and the nursing service. It would be impossible to carry on Clinics and Blood Donations without the help and interest of these persons. A tremendous amount of time and work is necessary to carry out these worthwhile programs.

In May I attended the Conference, conducted by the N. H. Council to help the Mentally Retarded Child. This meeting was held in Concord, and was very interesting and informative.

Social Service and Welfare Work was done during the Spring and Fall months, and seems to be increasing yearly. Used clothing has been distributed to many families, through the generous donations made by the townspeople.

Mrs. Ruth Butler, R. N., of Northfield, Mass., substituted during my vacation.

This year I will conduct a Clinic for a series of the Triple Toxoid, Booster Shots, and Vaccinations, for Pre-School Children. There will be three Clinics, spaced a month apart, which will be announced at a later date.

I will explain to some of you who call me in cases of Communicable Diseases, that I cannot enter such a home unless a Physician gives me an order to do so. Being near school children and elderly people so much of the time, it is hardly fair to expose others to these diseases.

In closing I wish to thank all who have helped my work in many ways.

Respectfully submitted,

PRISCILLA S. GLOECKLER, R.N.

District Nurse

3. Dental	26
4. Glands	1
5. Nervous System	2

Vision Tests	230
--------------	-----

Defects Found	15
Corrected	9

Clinics—Mental Hygiene	2
------------------------	---

Concord—New Hampshire Center for Speech and Hearing Defects	1
---	---

T.B. Patch Test—32 teachers, cafeteria workers, etc., of the local schools, was done by Mrs. Aiken, R.N., of the State Tuberculosis Association.

A hearing aid was secured for a pupil in the fifth grade through the Crippled Children's Services and the N. H. Center for Speech and Hearing Defects. A Service Club in Keene graciously took care of the fee in this case.

Local organizations have helped in other cases during the year, and this kindness is appreciated.

Cod Liver Oil is being given to twenty pupils who were underweight at the start of the school year, and is being given by the local American Legion Post.

This year the main problem in my work has been the many cases of Pediculosis (head lice). Much time has been spent in inspections and writing notes to parents. I will not allow any pupil to stay in school if he has any sign of such a condition. There is no excuse for anyone to continually carry these vermin on their person. I try to protect all the children and exclude cases of this kind. In some instances the parents cooperate, but I will say all of them do not.

As far as the general hygiene in our schools I feel most children are clean and neat, as they should be, but as always some are really dirty from their bodies to their clothing. I have given talks to pupils on cleanliness and personal hygiene in the high school, as other students have complained about the disagreeable odors. Any pupil in school should at least be clean enough to be accepted by the ones who associate with him. You parents are responsible for the condition your child goes to school in, please aim for a better standard in our schools.

I wish to express my thanks to all school personnel and parents who have helped me in our School Health Program.

Respectfully submitted,

PRISCILLA S. GLOECKLER, R.N.

School Nurse

## LIBRARIAN'S REPORT

---

Year Ending December 31, 1958

### Circulation Data—

Fiction	6726
Non-Fiction	4482
Juvenile	5631
Magazines	1906
<hr/>	
Total	18,745

679 new books were purchased during the year.

I would like to thank those who have contributed to our Memory Shelf this year. Among the titles added to this are "The Far West", "The South," and "The Midwest" in the Look-at-America series; "House Beautiful Book on Gardens and Outdoor Living"; "The Second Treasury of Early American Homes" by Pratt; "Complete Poems" by Sandburg; "The Friendly Evergreens" by Kumlein; "Early American Decoration" by Brazer; and "Bennington Pottery and Porcelain" by Barret.

The large room upstairs has been cleaned and bids are being received for redecorating. This will be used to house historical items mainly in connection with the history of our town.

A new hand-rail was installed on our front steps. This is proving to be a great help to our patrons.

National Library Week was observed March 16-22. This was sponsored by the American Library Association and was designed to interest more people in reading. Our local activities included book exhibits in store windows, new book displays at the Library, a book-sale table of discarded titles, record hours at the Library for the Elementary grades and talks by the Librarians at various organizations. This was also National Wildlife Week and the observance of this worked out well with our other activities. A movie entitled "Spying on New Hampshire Wildlife" was shown at Ashuelot School and at the Community Center to the grade children. Bird Song records were played during the record hours and books on wildlife were displayed at the Library and at the Community Center. We feel that it was a worthwhile observance. At our own Library much new interest has been shown this year, perhaps because of this nation-wide effort to interest people in books.

During the week of November 2-8, National Book week was observed. Displays of new books for all ages were on display at the Library. Two movies were borrowed from the State Library to show to the elementary grades both in Ashuelot and Winchester. These were entitled "Morning Star", a wonderful story of the spring migration of sheep in Arizona, and "I've Been There in a Book", a re-creation by two boys of the Lewis and Clark expedition.

It has been a highly successful year in all respects. It is very gratifying to me to be able to help our patrons through the medium of books. I hope that others will find their way to our doors this coming year.

Respectfully submitted,

EDITH W. ATKINS

Librarian

## COMMUNITY CENTER REPORT

---

I hereby submit the annual report for The Ellen Lambert Murphy Memorial Community Center for the year 1958.

The center and its facilities were used extensively during the past year. Mr. Gale Alexander, the recreational director, maintained a full time program. This included arts, crafts, games and teen-age canteen. During the summer months the program continued outdoors with swimming added. Classes in swimming were conducted at Forest Lake with instructors furnished by the American Red Cross.

The bowling alleys were opened six nights a week with league and opened bowling. Both the high school girls and boys participated in league bowling.

During the summer months of June, July and August there was a great interest in baseball. At this time the Little League was in competition with other teams in this area. The record this year was not as impressive as last but everyone had a wonderful time. A Pony League was also started with about fifteen boys playing. Uniforms for the Little League were donated by an interested party. The merchants and industries in town gave the uniforms for the Pony League. A dinner was held to help finance these teams.

On August 17th the annual Old Home Day and Murphy Day was observed. The program was enjoyed by several hundred people. Mr. Murphy was able to be with us at this time.

In September Mr. Alexander resigned as recreational director. After interviewing several applicants we engaged Mr. Adrian Tremblay of Swanton, Vt. Mr. Tremblay has had several years' experience in the recreational field. Mrs. Tremblay is also interested in recreation and assists her husband in his programs. Mr. Tremblay's two daughters have also served as assistants in their father's programs.

The buildings at the center were repaired to a great extent in the past year. New sills were placed under the auditorium and other repairs made.

In December the town of Winchester was saddened by the death of former Governor Francis P. Murphy. Mr. Murphy made the Community Center possible. Each year Mr. Murphy has been very generous and given financial aid to the center. Mr. Murphy in his will bequeathed to The Ellen Lambert Murphy Memorial Community Center the sum of Twenty-Five Thousand Dollars (\$25,000.00). We cannot say when we will receive this. We hope to invest this to the best of our ability. The revenue will be used to help carry on the work Mr. Murphy inspired.

We appreciate the support that the people of Winchester and the town has given in the past and hope it will continue in the future. The Ellen Lambert Murphy Memorial Community Center is yours, please use it and support it.

Respectfully submitted,

WESSON W. TAYLOR, SR.

President of the Board of Trustees

# REPORT OF FOREST FIRE WARDEN

---

To the Selectmen:

Each year there is a demand for a statement on forest fires for publication in the annual town report. It is believed they serve a good purpose locally in preventing fires. May we respectfully request publication on the following in your town report.

Sincerely,  
District Fire Chief

## YOU CAN HELP PREVENT FOREST FIRES

Twenty-five percent of all forest fires in New Hampshire are caused from careless debris burning — brush, paper, leaves, etc. Most of them are started without the required permit from the local forest fire warden. The cost of extinguishing these fires annually runs into large sums of money.

According to law, responsible parties must pay the cost of putting them out. In addition, violators may be subject to court prosecution with fines running as high as (\$200) two-hundred dollars.

In the interest of fire prevention why not eliminate burning at home? Use your town dump. It has been set up for your personal convenience. It provides a suitable place for the disposal of dangerous inflammable waste material and other useless items which accumulate around the home and local stores; brush, etc. cut on your property. Eliminate the hazard of burning yourself. It will be easier for you — personally and financially.

If, however, you do burn on your premises:

1. Secure a permit from your local forest fire warden — the law requires it.
2. Be sure to properly supervise your burning. Don't leave it.
3. Make certain your fire is DEAD OUT before leaving it.

**Save Yourself Much Possible Difficulty. Use Your Town Dump.**

Number of local fires	5
Number of acres burned	12¼
Number of permits issued	54

CORNELIUS WOOD

District Fire Chief

EARL SWEAT

Forest Fire Warden

## STATE OF NEW HAMPSHIRE

Date: Jan. 20, 1959

SUBJECT: Clearance of roads and trails for fire fighting purposes.

TO: Forest Fire Wardens

In most towns there are so-called inaccessible areas due to lack of travelling highways or trails. Such areas constitute a real problem to forest fire wardens whenever fires occur.

In many such areas there once were roads or trails which have now grown up and cannot be used. Many of them could, at comparatively small expense, be put into suitable condition for fire fighting purposes by brushing out or dozing portions of them.

The Forestry and Recreation Commission is in a position to co-operate by sharing a portion of the cost. Its share is limited by law to provide a matching sum not in excess of \$25.00 for this purpose in any one state fiscal year.

There may be roads or trails of this type in your town. If so, they should be called to the attention of the selectmen with a request that an article be inserted in the Town Warrant calling for a town appropriation for fire trail clearance. The following has been prepared for this purpose:

"To see if the Town will vote to raise \$25.00 to be expended in cooperation with the New Hampshire Forestry and Recreation Commission for the opening and maintaining of trails and old roads for forest fire protection. The New Hampshire Forestry and Recreation Commission to provide a matching sum not in excess of \$25.00 for this purpose."

The amount for the town has been left blank as it may appropriate what it wishes.

If the town appropriates funds for this purpose, final selection of the road or trail to be cleared should be made jointly by the Selectmen, Warden and District Chief to insure agreement by all parties concerned and to avoid misunderstandings.

CORNELIUS WOOD

District Fire Chief

EARL SWEAT

Forest Fire Warden

# REPORT OF THE OVERSEER OF WELFARE

---

December 30, 1958

I herewith submit report of the Overseer of Welfare for Direct Aid and Soldiers' Aid in the Town of Winchester, N. H. Jan. 1, 1958 through December 31, 1958.

In addition to the figures submitted some surplus food has been distributed during the year.

I am glad to report that one constituent who had been issued orders to the amount of \$76.28 during the year reimbursed the town with this amount so that this slate is clear to date. This amount has been turned over to the Town Treasurer.

We have had several cases come to town and ask for help which, upon investigation, were not eligible and eventually left town.

In this department there have been two long cases of illness with no funds, which have resulted in great expense to the town. It is hoped that these cases will be closed soon.

The town has had much expense caring for a patient at the County Farm, paying board for two children in Winchester and paying tuition for one child in Vermont in order to attend school there. This whole situation has been a big expense to the town.

Another family has been helped many months and I believe this could be discontinued if work were provided. The above cases have consumed much time and expense and I feel that such cases should work and try to help themselves.

Respectfully submitted,

MRS. CHARLOTTE DUSTAN

Overseer of Welfare

This amount was reimbursed on December 5, 1958 and this sum was turned over to the Town Treasurer. At the beginning of the year 1958 there were twenty-six (26) cases. Twenty-two have been disposed of during the year, and at the beginning of the year 1959, we show a total of four.

## REPORT OF HEALTH OFFICER

---

December 30, 1958

I herewith submit my report for the Health Department of the Town of Winchester from Jan. 1, 1958 through December 31, 1958.

Communicable diseases have been reported to me including Chicken Pox, Measles, German Measles, Pneumonia, Mumps and Dog Bites.

One house in town was condemned because of its unhealthy and unsanitary condition. This was deemed necessary as the place cannot be inhabited until it is put into condition to be occupied.

Your Health Officer has inspected a locality where a New York car made a dump out of private property polluting a brook by the dumping of litter. This had to be cleaned up at an expense to the town of \$3.00.

The Health Department has had complaints regarding cesspools, housing conditions, lack of child care. In so far as possible all have been remedied.

I wish to thank those who in any way have made a less heavy burden in the departments of Health and Welfare.

Respectfully submitted,

MRS. CHARLOTTE DUSTAN

Health Officer

## REPORT OF WINCHESTER HISTORY COMMITTEE

---

Balance on hand, Jan. 1, 1958	\$349 60	
Typing expenses for 1958	75 50	
Balance, December 31, 1958		\$274 10

While work on the history that was found, is at a standstill, members of the Committee are continuing to work on various phases of the history of Winchester. Mrs. Doris Wheeler — Churches and Schools; Mrs. Grace Pitcher — Genealogy; Mr. Douglas Pease — Geology and Roads; Mr. J. Ray Donovan — Industry; Mrs. Edith Atkins — Legends, Cemeteries and Pictures. Any information and pictures will be gratefully received by the committee. Your help is needed.

Any historical articles can soon be placed in the Historical Dept. of the Conant Public Library. Your contributions will be gratefully accepted.

Respectfully submitted,

EDITH W. ATKINS, Chairman  
Winchester History Committee

The School District of Winchester records its appreciation of the splendid record of Mr. W. Earle Jones in serving as a school board member in this town for 30 years. He was on the school board from 1916 until 1923 and from 1935 until 1958.

It was in 1953 that Mr. Jones was presented a citation at Laconia, New Hampshire, from the State Department of Education in recognition of his outstanding contribution to education in this state and particularly in Winchester. He evidenced great interest in the construction of the Ashuelot School.

The school authorities are keenly aware of the void left by Mr. Jones' departure from the school board but they are sure that his interest in school affairs will not wane and he will be willing to offer assistance and advice as in years past.

# SCHOOL WARRANT

---

## THE STATE OF NEW HAMPSHIRE

To the inhabitants of the School District in the town of Winchester qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the eleventh day of March 1959, at 7:30 o'clock in the afternoon to act upon the following subjects:

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
6. To choose Agents, Auditors, Committees in relation to any subject embraced in this warrant.
7. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
8. To see if the district will vote to petition the state board of education to become a member of a cooperative school district comprising grades 1-12 which must include, in addition to this district the following school districts, namely Hinsdale and Swanzey and may include Richmond school district.
9. To choose two members to serve with representatives from the other school districts on an interim committee for the organization of a cooperative school district.
10. To see if the district will authorize the school board to purchase for the district from George L. Adams, Sr., the tract of land of approximately two

acres which is northerly of Thayer High School and raise and appropriate the sum of two thousand dollars (\$2,000.00) for this purpose.

11. To see if the district will raise and appropriate a sum not to exceed five thousand dollars (\$5,000.00) for the purpose of reinforcing the interior structure of the Center School with steel columns and girders.

12. To see if the district will vote to transfer a small triangular piece of land west of the Ashuelot School to the St. Michael's Parish for a portion of the road to the Parish Hall, the Parish to be responsible for any expenses incurred by the transfer.

13. To see what action the district will take concerning a school planning committee for the ensuing year.

14. To see if the district will vote to authorize the school board to make application for and to accept, on behalf of the district, any or all grants or other funds for educational purposes which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire.

Given under our hands at said Winchester, this fourteenth day of February, 1959.

STEPHEN P. JOHNSON  
CARMENCITA PERRY  
CARL D. GRUPE

GERALDINE D. DICKINSON

District Treasurer

July 9, 1958

This is to certify that we have examined the books, vouchers, bank statements and other financial records of the treasurer of the school district of Winchester of which the above is a true summary for the fiscal year ending June 30, 1958, and find them correct in all respects.

REPORT OF AN EXAMINATION AND AUDIT  
of the accounts of the  
WINCHESTER SCHOOL DISTRICT

Winchester, New Hampshire

For the Fiscal Year Ended June 30, 1958

---

Winchester, New Hampshire  
July 24, 1958

The School Board  
Winchester School District  
Winchester, New Hampshire

Gentlemen:

Submitted herewith is our report of an examination and audit of the accounts of the Winchester School District for the fiscal year ended June 30, 1958.

Included in our examination and audit were the accounts and records of the School Board, the School District Treasurer, the School Lunch accounts and the Thayer High School Activity funds.

The various reports which make up our complete report include comparative balance sheets for June 30, 1957 and June 30, 1958, analysis of change in financial condition and the factors affecting changes in financial condition, comparative statement of appropriations and expenditures, statement of estimated and actual revenues, budget summary, summary of receipts and expenditures, and proof of Treasurer's balance.

This is to certify that we have examined the books, vouchers, bank statements, and other financial records of the Winchester School District, the School Lunch accounts, and the Thayer High School Activity Funds, and found them to be in very good order, and to the best of our knowledge and belief the attached reports reflect the true financial condition of the Winchester School District for the fiscal year ended June 30, 1958.

We extend our thanks and appreciation to the officials of the Winchester School District for their cooperation and assistance during the course of our audit.

Very truly yours,

ARNOLD B. CONWAY  
ROBERT A. SCHAUFUS

# REPORT OF THE HIGH SCHOOL PRINCIPAL

---

I hereby submit the annual report for Thayer High School to the Superintendent of Schools.

Enrollment for the school year 1958-1959 as of February 1, 1959:

Seniors	22	
Juniors	44	
Sophomores	39	
Freshmen	36	
	—	141
Seventh Grade	33	
Eighth Grade	34	
	—	67

We have been very fortunate to have the services of Miss Eunice Marden as instructor in our Music Department. The band and the chorus have shown great improvement, which was quite evident by the fine showing at the Christmas concert.

Miss Marden is now making plans for a minstrel show to be given in April by the Music Department.

Considerable progress has been made with the beginning group of music enthusiasts from the lower grades. Charles Hildreth, Ronnie Pratt, Joyce Martin, Janean Russell, Larry Tweedie, Philip Samsel, Gordon Tacy, Billy Wilber and George Gould are students starting on the trumpet; Kenneth Thompson, Ronald Jones, Cynthia Gomarlo, Linda Blair, Robert Sweet and Philip Laurence on the clarinet; Carolyn Sanborn, saxophone; and Nancy Durkee, the flute.

The following have been chosen for the All-State Concert:

## ALL-STATE CHORUS

Gail Derby, soprano  
Theron Lawrence, tenor

Lucy Thompson, alto  
David Tatrot, bass

The P.T.A. recently approved the purchasing of two new instruments, a French horn and a bass clarinet, for the band. The sum of \$500.00 was left with the P.T.A. by the Band Booster Club for this purpose.

Record of cash on hand as of February 1, 1959, for various classes and organizations in Thayer High School:

Class '59	\$928 26
Class '60	327 52
Class '61	185 13
Class '62	214 06
Class '63	23 91
Class '64	19 20
Athletic Association	168 71
Music Fund	400 98
Thayer Revue	215 44
General Fund	524 70
Student Council	210 40

The Commercial Department has shown great progress under the direction of Mr. Ouellete.

Trips have been taken by the Office Practice class for the purpose of seeing business offices while in operation. Peerless Insurance Office in Keene, Minute Tapioca and Rodney Hunt in Orange were among the concerns visited. Trips to Holstein-Friesian in Brattleboro and Massachusetts Mutual offices in Springfield are being planned.

The Home Economics Department continues to accomplish a great deal, despite the inadequate space and facilities. If classes can accomplish so much under the present circumstances there is no doubt that real progress could be made if we had more space and proper facilities.

Mathematics and science subjects are being strengthened and students are being encouraged to take these subjects if they are capable. This does not mean that we are de-emphasizing the cultural subjects because we are also doing more in these fields. Mr. Pratt attended Brandeis University Mathematics Institute during the summer of 1958 for the purpose of further study in this field.

The English, language and social studies classes are doing an exceptionally good job. Midyear exams were given in all high school classes and finals will be given in June. In February each year the seniors in English profit from a unit in Parliamentary Procedure. Their newly gained knowledge is helpful when they visit our regular town meeting as a social studies project.

Several boys have been interviewed for the St. Paul's School Summer studies program, which will take the top hundred boys in the state for an intensive course of study. Very attractive scholarships are offered to some of the students at the close of the course. This program is sponsored by the Ford Foundation.

Nine junior students have accepted the offer to take the National Merit Scholarship Qualifying Tests in May. This is an important step toward the possibility of earning a college scholarship.

Twenty-two freshmen and sophomores have signed up to take the National Education Development Tests in May. These tests provide a basis for measuring educational growth from year to year and serve to identify and motivate talented students.

As a matter of record a summary of the 1958 Commencement and a list of graduates follow:

### Essays

Lorraine Rice	Anita Patnode
Joyce Pierce	Joan Zabielski
Charles Lang	Wilma Stetson

Charles Lang was the recipient of the Josephine Mansfield Sprague Music Award. The honor students were Wilma Stetson, first; Lorraine Rice, second; Joyce Pierce, third. The Class Marshal was Howard Judd.

The class roll is as follows:

Lorraine M. Austin	Helen F. O'Neal
Richard L. Baker	Patricia A. Palmer

# REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Winchester:

I have the honor to submit my twelfth annual report.

**STAFF CHANGES:** Since Mr. George W. Garland did not return as music supervisor of the Winchester schools, the position was filled by the election of Miss Eunice A. Marden, a graduate of Oberlin College. After a succession of commercial teachers last year, Mr. Laurence A. Ouellette was elected to the commercial position for this year. Mr. Ouellette is a graduate of American International College. Mr. Roland W. Warner, a graduate of Keene Teachers College, was added to the Thayer High School staff because of the increasing enrollments, particularly in the junior high school field. Mr. Warner taught last year in Swanzev, New Hampshire.

At the Community Center, Mrs. Mary P. Reed was engaged for the first grade position vacated by the resignation of Mrs. Eleanor C. Graham. Mrs. Reed left us during the Christmas vacation. Mrs. Mary M. Gline is teaching the first grade at the Community Center until the February vacation after which Mrs. Cynthia J. Glover will fill the position until the end of the school year. Mrs. Charlotte B. Holt was elected as additional teacher at the Community Center to take care of our increasing enrollments at the Center School.

There were no other personnel changes in our schools.

## ENROLLMENT TRENDS:

Enrollment Table — January, 1959

Winchester must still find the solution to the problem of school housing. The school board and school planning committee have held many meetings and have worked hard to formulate a plan to present to the voters at the coming annual meeting. The plan selected for presentation is for the formation of a cooperative school district in this part of the state and to that end an article will be inserted in this year's school district warrant.

If a cooperative district becomes an eventuality with its attendant large high school, Thayer High School could be converted into an elementary school and Winchester's school housing needs would be taken care of for the foreseeable future.

The school boards and school planning committees of Hinsdale, Richmond, Swanzev and Winchester decided at a joint meeting to insert an article in their respective school district warrants petitioning the State Board of Education to investigate the practicality and feasibility of the formation of a cooperative school district in this area. The article will be so worded in each warrant that it will be mandatory for each of the larger school districts of Hinsdale, Swanzev and Winchester to vote in the affirmative for a cooperative school district in order for it to be even considered.

In his last major address, Ex-Governor Lane Dwinell emphasized the necessity of the formation of cooperative school districts in New Hampshire in order to bring about improved educational opportunities for our youth.

The spotlight of interest is being focused on the American high school with increasing intensity. Just how good are our high schools? A nationwide study, financed by the Carnegie Corporation and headed by Dr. James B. Conant, past president of Harvard University, provides some means of measurement. The U. S. News and World Report summarized the study in its issue of January 9 as did Look Magazine in its issue of February 3. Look termed it the most important study ever made of America's high schools.

A conclusion reached in the study was that only one high school in every five in the United States is large enough to offer the type of program necessary to meet the needs of all the pupils. A high school should be large enough to have a graduating class of at least 100 pupils each year. A glance at the above enrollment table will show that this will not be the case in Thayer High School as far as can be determined. It should also be remembered that the figures in the above table are undoubtedly too high since no allowance was made for drop-outs between grades nine and twelve.

The larger school can group pupils throughout the four years which the smaller school cannot do except at terrific expense. In the larger school the brightest group of pupils should be required to take four years of English,

four years of history and social studies, three or four years of mathematics, three years of science and four years of a foreign language. By grouping pupils according to ability in each subject, the quick learners are not held back by those who learn more slowly.

Guidance and counseling services usually found in the larger school are not likely to be found in the smaller school. Careful counseling should be given to pupils in their choice of elective subjects. Dr. Conant's study showed that in too many high schools subjects were taken with little thought being given to a developmental program. Trained guidance and counseling personnel would remedy this condition.

There are those who would contend that the above conclusions are those of professional educators. However, many lay citizens apparently feel the same way. Last fall, for example, 3500 delegates journeyed to Columbus, Ohio, at the request of Governor C. William O'Neill, to attend one of the largest citizens' school conferences ever held. These delegates represented more than 50,000 lay citizens who had attended some 500 local meetings over the past three years. One conclusion reached at the conference was that small, ineffective school districts must be reorganized or consolidated.

New Hampshire laws make it possible for school districts to join forces to provide larger school units for their pupils. In this immediate area a cooperative high school to serve the needs of Hinsdale, Swanzey, Richmond and Winchester would have a potential of some 700 pupils in grades 9-12. A school of this size would be well equipped to do the job recommended in Dr. Conant's research.

The following are some of the things which a cooperative district can provide:

Adequate supervisory service by specialists in various fields.

Modern plant and facilities.

Opportunities for improved and additional vocational training in such fields as business, machine shop, auto mechanics, woodworking, etc.

Guidance services under one or more trained counselors.

Adequate physical education facilities such as play areas, gymnasiums, lockers and showers, and facilities for special corrective work to be carried out by trained physical education specialists.

Suitably appointed cafeteria serving well-balanced meals.

Classes at an economic size.

More economic use of specialized equipment for science, art, homemaking, shop, audio-visual education, dramatics, etc.

A well rounded music program providing for band, orchestra, vocal groups, and supervision of music instruction in all grades.

A specialist in art work who can instruct high school classes and supervise the elementary art work.

Flexibility in course offerings to meet interest, aptitudes and abilities of individual students.

Working conditions and salaries which will attract and hold good teachers.

An adequate school library.

A well equipped stage for school dramatics and music work.

Sufficient enrollment to provide good interscholastic and intramural teams in all sports.

Savings through quantity purchasing of school supplies and equipment.

A broad program of clubs and other co-curricular activities to meet various student interests.

An opportunity for each individual child to be broadened by contacts with more boys and girls and more teachers with wider experience.

Improved and widened course offerings.

A broader, richer program.

A factor not to be overlooked is the teacher supply in the years ahead. Good, qualified teachers of mathematics, science, languages, etc., will be scarce. Other things being equal, teachers will be attracted to larger schools where they will be able to teach those subjects for which they are specifically trained. In smaller schools, teachers necessarily have to teach other subjects outside their major field. In the competition for securing good teachers, the small school will not fare so well.

This country and Russia are locked in a struggle to determine whether communism is to prevail over democratic ideals. Our educational system has been assailed as failing to provide the education necessary to cope with Russia's progress. Our concern now should be not with what adults through prejudice and provincialism think is best for their community but with what is needed for the best possible education of our youth. The very survival of our democratic society is at stake. All over our land inefficient school systems should be replaced to insure better instruction for the citizens of tomorrow who will have to be well equipped to take their places in a world of great scientific progress.

In conclusion, I wish to express my appreciation to the teachers, pupils and parents, the School Planning Committee, the School Board and the patrons of our schools for their cooperation.

Respectfully submitted,

CHESTER C. LEES

# REPORT OF AN AUDIT AND EXAMINATION OF THE ACCOUNTS OF THE TOWN OF WINCHESTER

FOR THE FISCAL YEAR ENDED DECEMBER 31, 1958

---

Board of Selectmen  
Town of Winchester  
Winchester, New Hampshire

Gentlemen:

Submitted herewith is our report of an audit and examination of the accounts of the Town of Winchester for the fiscal year ended December 31, 1958.

Included in our audit were the accounts of the Board of Selectmen, Town Treasurer, Tax Collector, Town Clerk, Highway Commissioner, Water Department, Fire Departments, Overseer of the Poor, Library Treasurer, Trustees of Trust Funds, and Municipal Court.

For the second year we have compiled various Financial statements, which are to be considered a part of our report.

The Comparative Balance sheets as of December 31, 1957, and December 31, 1958, show a decrease in the Net Debt of the Town in the amount of \$3,565.24.

The Statement of Appropriations and Expenditures shows a net unexpended balance of \$2,153.54.

The Statement of Estimated and Actual Revenues show a net Revenue surplus of \$5,458.74.

Combining the above two figures the net result is a Budget Surplus for 1958 amounting to \$7,612.28 as compared with a deficit of \$11,457.50 in 1957. The Selectmen and various department heads should be congratulated on this marked improvement in the Town's financial condition.

Also included is the Statement of Long Term Indebtedness showing annual maturities of principal and interest requirements.

The Auditors also prepared summaries of the departments and accounts which we audited; however, to save printing expense, these will not be published in the Town Report. Anyone desiring to see any or all of these separate accounts may do so by contacting the Selectmen or Auditors.

The audit procedure included comparing vouchers and cancelled checks with supporting invoices and payrolls, as well as entries in the books of record, and receipts were checked by source insofar as possible. Bank balances at the close of the fiscal period were verified by reconciling cash book balances with Bank Balances, and uncollected taxes were verified by mailing notices to a majority of the delinquent tax payers.

We hereby certify that we have examined and audited the accounts and records of the Town of Winchester for the fiscal year ended December 31, 1958, and have found them to be in very good order. To the best of our knowledge and belief the financial statements and summaries of accounts reflect the true financial condition of the Town for the period under review.

Our thanks to all the officials of the Town of Winchester for their assistance and cooperation during the course of our audit.

Very truly yours,

SOPHIA Z. BOYD

ARNOLD B. CONWAY

ROBERT A. SCHAUFUS

Auditors, Winchester, New Hampshire
